2 choose your glass

Maximize the beauty and visual impact of your new door by coordinating Masonite glass elements from our collection of exquisite designs. Decorative glass embraces natural light and transforms any entryway into a vision of beauty without compromise. So, add charm and sophistication to your home's entry, inside and out, with one of our superbly crafted glass designs offered in a variety of configurations. The choice is yours.

3 choose your door

Selecting the right door can bring years of enjoyment and hassle-free maintenance that will leave a lasting impression. Masonite Textured Fiberglass doors display exceptional, deep wood-grain detail, adding richness and significance to your home's exterior. Our smooth fiberglass doors are perfectly engineered for durability and longevity, plus they're easy-to-paint for a custom look. Masonite Steel doors offer security and protection for your peace of mind.

Masonite's Commitment

At Masonite, employees from all parts of the Company – sales, marketing, research and development, customer service and manufacturing – understand that people love their homes. In the past, homes were purchased to meet functional needs. Today, homes are purchased to meet specific lifestyles and to satisfy the need to create multiple living environments within a single home. To meet these lifestyle needs, Masonite is continually creating new and innovative products that will make every home more beautiful, more valuable and more enjoyable. With the ultimate goal of adding beauty and value to every home, Masonite's products are designed and constructed to exacting standards and specifications. All materials – wood, fiberglass, steel or composites – are engineered and carefully selected to ensure lasting durability and performance. For individuals who are building, renovating or redecorating, Masonite products are certain to beautify and accentuate a wide array of architectural home styles.
